- Approx defrost time is 2 hours, then heat soup in a pot.
- Food in the black container can be heated in the microwave or in the oven.
- The inserts must be put into a container and then heated in the microwave (this is unique since other packaging materials will be used in the future).
- Delivery (cost \$30) by arrangement.
- Minimum order value \$500.
- If you have any questions, feel free to contact us.
- NOTE: We do our best to ensure prices are up to date, however prices are subject to change. We will confirm current pricing with you via WhatsApp.
